*This appraisal is made and accepted upon the express understanding that no liability is incurred by the appraiser, Jewelry Appraisers of North Carolina, or any of its employees; none of whom assume any liability with respect to any legal action that may be taken on the basis of any information contained within this appraisal. An appraisal does not represent an offer to purchase or replace jewelry. It is a professional opinion, backed by training, equipment, and experience as to the authenticity, quality, quantity, design and value of an article of jewelry, or any material part, thereof. Because appraising relies on human judgment, it is subjective, and the values listed – informed estimates; and as such, may vary from one appraiser to another, and thus, does not constitute error on the part of the appraiser. Unless otherwise stated, all diamonds, colored gemstones, pearls, coins, etc. are examined in the mounting, and their measurements taken in their settings, between prongs, over bezels, etc.; and thus accordingly, all weights, grades, percentages and measurements, unless accompanied by a jewelry industry-recognized laboratory report, are approximate. Photographs are not representative of actual size. ALL GEM WEIGHTS ESTIMATED BY FORMULA UNLESS OTHERWISE NOTED.*
